

Thank You for Your Support of the K9 Veterans Memorial

The K9 Veterans Memorial Committee and The Kennel Club of Fort Atkinson thank all who played a role in supporting this meaningful project designed to honor the K9s that have served and continue to serve our nation. Whether you wrote a check to the Foundation; purchased a plush dog, flag or decal; sold plush dogs at your business; or made a contribution at Sidewalk Days or the Farmers' Market, you made a difference. Because of you, this project is successful.

We extend a special thank you to Mark Dziewior, bronze sculptor and designer of the memorial; John Block and Chuck Block, granite craftsmen; Daniel Atkinson, granite etcher; Scott Lastusky and staff of the Fort Atkinson Parks and Recreation Department; and Rudy Bushcott, City Engineer. They provided the expertise to make this project possible.
